In Hawaii, there are many fun things that you can do. One thing is sitting on the balcony of the hotel and letting the \_\_\_\_\_ wind pass by. That can \_\_\_\_\_ you. Everyone around is so friendly! You can easily become friends with someone. No one would ever \_\_\_\_\_ you. They are all \_\_\_\_\_ about each other's feelings. In the \_\_\_\_\_ of the hotel, there is a huge beach where you can snorkel and swim! That beach has crystal-clean water and is not \_\_\_\_\_ to the beaches in New York, but you can still have so much fun! There are so many beautiful fish in the water, but one \_\_\_\_\_ is that there are eels and sharks, too! If you took a \_\_\_\_\_, most people would say that it is a very nice resort. There isn't anything \_\_\_\_\_ about the place. To \_\_\_\_\_ the number of people that don't like the resort, it would probably be 6 or 7%! I have a lot of memories at that resort that I will never \_\_\_\_\_ and I will always \_\_\_\_\_. You should go to one of the resorts in Hawaii and see how beautiful it is!!

The Snowstorm

Even though I could have been hanging out with my friends and drinking hot cocoa, our family's small house was stuck in a huge \_\_\_\_\_ of snow. It was very \_\_\_\_\_ that my family was gathered all in the living room sitting next to the heater since we couldn't use the fireplace. My mom is very \_\_\_\_\_ on things and she didn't want to waste food. All of a sudden, I heard the doorbell ring and Summer barked. We heard the visitor try to turn the doorknob and instantly, the \_\_\_\_\_ alarm went off. My dad hurried to where the sound came from. He switched it off and looked out the window. Suddenly, he gave a whoop of delight. My dad told us that it was the rescue squad and that they were trying to free us. I was so glad that the rescue squad finally \_\_\_\_\_ our family down. When we got out of the house, we were \_\_\_\_\_ that we would be fine. A few weeks later, my mom was serving strawberry and blueberry \_\_\_\_\_ for breakfast. The whole event seemed so \_\_\_\_\_ in my mind as if the catastrophe was just 5 minutes ago. When I grow up, I will always remember the important \_\_\_\_\_. Never be negative!
